

Dear Mr and Mrs. Shapiro,

On behalf of the Clergy, Staff and Board of Trustees, we want to wish all of you continued good health during these very challenging times. Our goal for the last few months has been to adapt our services, programs, and classes to make them accessible for all our congregants without compromising the quality of these experiences. As the threat of Covid-19 continues, it becomes more and more apparent that the virus is impacting people not just physically, but emotionally and financially, as well. This realization only reinforces the importance of continuing to be flexible as we plan our future.

Enclosed is CBS's Annual report which shares the results that surface from the dedication, support, and efforts of our synagogue community. We are immensely proud of our Congregation Beth Shalom family, which we have continued to nurture and sustain even over these past few months. We will continue to flourish and grow, despite challenging times. Thank you for prioritizing CBS in your life.

Tanya Solomon
President

Rabbi Aaron Melman

Michael Garlin
Executive Director

(the NOTE below will be adjusted based on age of family and fees that are required)

NOTE: Please watch your mail mid-July for your annual billing statement which will include your Commitment, School Tuition, Security Fee, Building fund and other annual fees. **We will also be including information regarding upcoming High Holy Day worship experiences.**
